Slim

MOBILE SLIM PED

Slim is a compact storage solution for the personal items we have in our workspace. Store your personal items with the single sided drawer bin version or side to side filing for those with personal filing needs. Access a concealed personal drawer with either option for those miscellaneous items.
Slim
MOBILE SLIM PED

FEATURES

- Bottom drawer may be specified as single-sided (left or right) or two-sided
- A two-sided drawer includes file bars to accommodate letter or legal hanging files
- A concealed top drawer is accessible when bottom drawer is open
- Cushion is 1" foam

ORDERING TIPS

- Linear yardage required for COM fabric (20 units or fewer): Slim - 3/4 yard
- Unless otherwise specified, the fabric pattern on cushions will be applied "front-to-back"
LOCK SYSTEM

- Includes one UM series lock, black-faced, keyed-alike, master-keyed, and core-removable (may be keyed-alike in the field)

One-sided drawer, access from right side

One-sided drawer, access from left side

Two-sided drawer & file bars
